### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.*

Bloomsbury Publishing PLC, United States, 2017. Mixed media product. Condition: New. 2nd Revised edition. Language: English. Brand new Book. Fabric for the Designed Interior, Second Edition, is a comprehensive text for students and professionals, addressing both residential and commercial interiors. The book begins by placing fabric in a historic context, examining its connection to the growth of civilization. Later chapters take a practical approach to provide readers with the tools they need for successfully specifying fabric, dealing with environmental and safety concerns, understanding fabric and carpet-care issues, working with bids and contracts, and learning strategies for navigating showrooms and fabricating facilities. Leading designers, fabric manufacturers, and suppliers weigh in with their experiences, giving readers a clear idea of real-world expectations. This new edition is updated with expanded coverage on sustainable fabrics, more robust and clear instructions on costing, an appendix of historic and decorative architectural styles, and a revised art program featuring contemporary styles. Fabric for the Designed Interior STUDIO—an online tool for more effective study! \* Study smarter with self-quizzes featuring scored results and personalized study tips \* Review concepts with flashcards of essential vocabulary \* Watch videos that bring chapter concepts to life About the Fabric for the Designed Interior STUDIO Videos Access to online instructional videos that show the world of interior textiles in action. The viewer will be taken on a tour of the historic Scalandre 110,000-square-foot mill and see how woven and printed fabrics are produced. Elements of the tour include design conceptualization and artwork, dyeing of yarns, warping, and weaving on various types of looms. The second video takes the viewer to several to-the-trade showrooms in New York City. Viewers will learn practical skills like establishing an account, reading tags, costing, and ordering product. Showrooms specializing in both residential and contract fabric are toured. OPTIONAL SWATCH KIT:...
